Attention: Ms. Sheri Young, Secretary of the Board

Dear Ms. Young:

**Re: TransCanada PipeLines Limited, NOVA Gas Transmission Ltd.,
Foothills Pipe Lines Ltd., Trans Québec & Maritimes Pipeline Inc. and
TransCanada Keystone Pipeline GP Ltd. (referred collectively as TransCanada)
30 day Comment Period on Regulatory Proposal – NEB Designated Company Cost
Recovery Regulations**

On January 8, 2018, the Board provided NEB regulated companies the opportunity to file comments on the proposed NEB designated company cost recovery regulations (Designated Cost Recovery Regulations).¹ On February 5, 2018, the NEB extended the deadline for providing comments to February 14, 2018.

TransCanada has had the opportunity to work with Canadian Energy Pipeline Association (CEPA) and its members on the Designated Cost Recovery Regulations. TransCanada supports the CEPA submission that we anticipate will be filed today, February 14, 2018.

TransCanada appreciates the opportunity to provide comments on the Designated Cost Recovery Regulations and will continue to participate in consultations with the NEB and CEPA.

Should the Board require additional information regarding this filing, please contact me by phone at (403) 920-6156 or by email at joel_forrest@transcanada.com.

Yours truly,

**TransCanada PipeLines Limited, NOVA Gas Transmission Ltd.,
Foothills Pipe Lines Ltd., Trans Québec & Maritimes Pipeline Inc. and
TransCanada Keystone Pipeline GP Ltd.**
