Attention: Ms. Sandy Lapointe, Executive Vice President, Regulatory

Dear Ms. Lapointe:

**Re: Canada Energy Regulator (CER) – Proposed Changes to CER Filing Manual
Guides B and K
Comments of TC Energy Corporation (TC Energy)**

The following comments are provided by TC Energy on behalf of the following CER-regulated entities: TransCanada PipeLines Limited (TCPL), NOVA Gas Transmission Ltd. (NGTL), Foothills Pipe Lines Ltd. (Foothills), Trans Québec & Maritimes Pipeline Inc. (TQM), Great Lakes Pipeline Canada Ltd. (GLC), and TransCanada Keystone Pipeline GP Ltd. (Keystone).

The Canadian Energy Pipeline Association (CEPA) submitted comments regarding the proposed updates to Guides B and K of the Filing Manual on April 15, 2021.

TC Energy worked closely with CEPA on the development of the comments and supports the comments submitted by CEPA.

If the CER requires additional information with respect to this filing, please contact me by phone at (403) 920-7172 or by email at carolyn_shaw@tcenergy.com.

Yours truly,
TC Energy Corporation
